FIFI LETY INDRA & PARTNERS

## ABOUT US

Since its establishment in 1997, we have expanded to provide a range of services offered for the dynamic and demanding private business sectors in this country. Our clients base now include well established companies that require more intensive services in areas of Tax and Investment Law, Company Law, Bankruptcy Law and Franchise.

The Founder and Partners in our firm are: Ms. Fifi Lety Indra and Mrs. Vonnice Sutedjo. We are experienced and professional consultants in understanding each clients' problems, providing thought and consideration to formulate appropriate solutions.

Together we are progressively developing and utilizing a significant and complex involvement in the legal system through participation with the government in ambiguous situations. Our objective is to become a responsive law firm with excellent legal service, provide significant information, minimizing risk and producing an effective solution to achieve our clients business goals. Our firm's rapid growth and pro-active participation has been in the areas of local current legal issues for International clients.
